

**Little Bit**  
THERAPEUTIC RIDING CENTER  
DUNMIRE STABLES

2014 *Annual Report*

## THANK YOU

# Kathy Alm!

For 15 years Kathy Alm was the face of Little Bit. In July 2014, Kathy accepted a new position as CEO of PATH International. PATH is the Professional Association of Therapeutic Horsemanship and promotes safety and optimal outcomes in equine-assisted activities and therapies for individuals with special needs.

In Kathy's tenure, Little Bit expanded services and, most notably, raised \$10.4 million to support the purchase and development of Dunmire Stables. Kathy's careful tending of her relationships with the participants, families, volunteers, staff and donors helped make this shared dream possible.

As a PATH International Premier Accredited Center with certified therapists and instructors, Little Bit provided a perfect launching point for Kathy to take her knowledge and passion for the industry to a higher level.

We are grateful to Kathy and wish her well as she advances equine-assisted therapies and activities for people with disabilities across the country and around the globe.

"It was an honor to serve the Little Bit community, working together to support all of the participants and their families in making their dreams a reality," Kathy said. "That experience provides the perfect foundation to successfully lead PATH International into the future. Thank you for 15 wonderful years."

## LETTER FROM THE President

During 2014, Little Bit continued to learn, develop and grow during our first full year at Dunmire Stables. The year also provided exciting challenges and significant changes.

In July, Little Bit entered into a period of transition while the Board of Directors sought a new Executive Director. Deputy Director Cluny McCaffrey was named the Interim Executive Director and with the full support of the Board, kept the therapy and volunteer programs, facility and administration running smoothly. The Board of Directors was confident that Little Bit would continue its mission to serve children and adults with disabilities through equine-assisted therapies and activities, and to be an inspiration and educational resource to the therapeutic riding profession.

Specifically, Little Bit provided more than 7,800 individual rides and therapies to 288 participants over the course of the year. Our 790 volunteers remained devoted, dedicated and enthusiastic, providing more than 26,000 hours. Our donors and partners remained faithful in their support. Our participants and families continued to sing Little Bit's praises. And our staff and four-legged therapists make that Little Bit magic happen again, and again, and again!

On behalf of the Board of Directors, I want to thank all of our participants, families, volunteers, donors, and staff for another wonderfully successful year!

Sincerely,

Mary-Lou Misrahy  
President, *Board of Directors*

Mary-Lou Misrahy and Kathy Alm

## IN LOVING MEMORY OF

# Michael Dunmire

1944- 2014

Michael Dunmire was a smart, kind and generous man who was passionate about bettering the lives of others. He was an integral part of the Little Bit community for over 30 years; inspiring everyone with his genuine love and support of the Little Bit mission and the care he showed the riders and patients.

Starting in 1978 as a board member, his vision and commitment were instrumental in the successful completion of the first capital campaign, "A Stable Future," which supported the Little Bit remodeled and expanded facility in Woodinville. His Board service included terms as Treasurer and President and he ultimately served on the Advisory

Board. Along with his wife, Phyllis, he served as Honorary Chair of the recent "Extraordinary Strides, Transforming Lives Campaign", which successfully raised \$10.4 million. He and Phyllis provided the leadership gift that made it possible for Little Bit to buy the current 17-acre site and transform our ability to deliver the Little Bit mission. Although he never asked to have the property named after them, we were honored to do so, and Dunmire Stables was born.

It wasn't always serious business with Mike, however, he could also be found flipping burgers at the Ben Barrato Memorial BBQ or wearing his top hat to the auction with a big smile. The Reins of Life Auction was always the Dunmire's favorite event. They sat together at the Reining Table every year, surrounded by friends, inspiring the Little Bit community to give generously. He leaves behind an incredible legacy of kindness, integrity and philanthropic leadership. He will be missed by all he touched.

# Mission

Our mission is to improve the bodies, minds and spirits of children and adults with disabilities through equine-assisted therapies and activities, and to be an educational resource for the therapeutic riding profession, both regionally and nationally.

# Siena's Story

Siena is a 14-year-old patient in the therapy program at Little Bit. She has been riding for almost two years now. Siena had a stroke in utero when her mother, Mary Ellen, was eight weeks pregnant. Siena has faced many challenges, including communication. When Siena started equine-assisted therapy she struggled to lift her arm up to point at an object.

Since Siena started therapy at Little Bit, Mary Ellen has noticed many positive changes in her daughter. Siena has increased the core strength she needs in order to have the physical control to communicate. Siena is now able to pick up various objects, such as a bucket or riding crop, which is something she hadn't been able to do in the past. Holding things and carrying them with a purpose is a new world for Siena and a great help for mom. More importantly, Siena loves to ride her horse Ross at Little Bit, and nothing makes her smile like trotting!

Mary Ellen says, **"I am thankful for each tiny step, each small stride, each gentle gallop. They all remind me that Siena's future can be filled with meaningful relationships, a therapeutic community, and more communication. Little Bit—what an extraordinary place where taking the reins and mastering movement in the arena translates to taking the reins and navigating life more fully."**
